Newsletter #6 September 2020

1962 KLS, Miss McCann

1965 Madang Primary A

*Hello friends and family - there are two things to share with you this month: information on the Zoom gathering next month; and our new PNG-KLS-SPLC reunion website.*

### **Zoom Gathering October 16<sup>th</sup> 2020 from 7-9PM CST**

This will truly be a global event with **Mark Singh-Hueter** hosting the Zoom Gathering through his church, Advent Lutheran, in Pennsylvania. **Jonathan Frerichs** will facilitate from his home in France and others are joining us from Australia, Canada and the USA. The featured speaker, Ruth Van Reken, is an MK who grew up in Nigeria. She and her husband worked in missions in Liberia and their three daughters were born there. She comes with much wisdom and experience in the issues that a third culture kid faces. (see more about her below). After Ruth's presentation, we'll break into small discussion groups, then return to the large group to ask Ruth questions. To end the session, Jonathan will lead the group in further discussion. It promises to be a fun and interesting gathering. We have 33 people signed-up with room for 100. The online

gathering will be recorded for future viewing.

About a week before the event, those who have signed up will receive an email with the link to the Zoom session. For those who are unfamiliar with Zoom, Mark's contact information will be listed so you can call/text him with any questions.

Due to the global nature of our group, there was no time frame that would work for all geographic areas. Our apologies to the European wontoks. If we have another event, we hope to plan it at a time you can more easily participate.
