

## PNG-KLS-SPLC REUNION Sept 30 - Oct 3, 2021

### Newsletter #8 December 2020

#### Hello Wontoks!

Let's get together for a ZOOM GATHERING in January 2021

In October of this year, 45-50 wontoks gathered for a Zoom gathering in lieu of our planned reunion. Attendance exceeded expectations and many of us enjoyed reconnecting with people from so many years ago, while also meeting new people. It was an exciting and fun two hours! If you would like to watch the videos of that gathering, click here <http://pngklsplc.org>.

Given the great participation and positive feedback, we are planning another Zoom Gathering on Saturday January 23rd 2021. Ron and Else Schardt, who spent many years in PNG, have agreed to lead the discussion and talk about the topic: "Life after PNG - What's Your Story".

Mark Singh-Hueter will host from Pennsylvania and Jonathan Frerichs will facilitate from his home in France. We are setting aside a time for introductions at the beginning of the gathering as many of us were sad that we missed learning the names of all who had joined us in October. We are listening to feedback and learning as we go! Thank you to those who gave helpful suggestions. More information on the Zoom will be shared in January, and a link will be sent 10 days to two weeks before the gathering.

Because we want to plan a convenient time for our European friends and schoolmates, the Zoom will start at 1 p.m. CST in the US and 8 p.m. in Europe. We are sorry as this will be very early morning in Australia - 5 a.m. in Queensland and 6 a.m. in Sydney and Canberra. To that we say, grab a cuppa (of something) and join us!
