

## PNG/KLS/SPLC REUNION Sept 30 - Oct 3, 2021

### Newsletter #11 March 2021

#### Hello Wontoks!

Are you ready for another online bung? Please join us!

#### **“PNG Primary School Conversations: A Trip Down Memory Lane”**

[U. S. Central Daylight Time Friday April 16 at 6 p.m.](#)

[Central European Standard Time on Saturday April 17 at 1 a.m.](#)

[Australia Eastern Standard Time on Saturday April 17 at 9 a.m.](#)

We'll be sharing and comparing our school experiences in PNG, whether at boarding school at KLS, or local schools in Madang, Lae, and Ukarumpa. Some of our wontoks have agreed to be panelists and answer questions that Jonathan Frerichs, our facilitator, will pose to them. After this conversation, we'll break into small groups according to age. Plan to share a fun memory from your time at school in PNG.

---

*(Newsletter continued on page 2)*

---

Our timing for this third Zoom is better for Aussie wontoks, since the January Zoom was timed well for Europe. There does not seem to be a perfect time that works for our global community. So as before, this Zoom Gathering will be recorded in entirety so it can be shared with those who cannot attend.

As a way to introduce attendees at the April Zoom, we'd like to show a PowerPoint that includes each of you. Assuming you send in your registration, we are asking several questions. And if you can find a photo of yourself as a child in PNG and a present photo, please attach them to your registration email. They will be included in the PowerPoint at this Zoom Gathering. (If you cannot find a photo, please don't worry about it. We still hope you will attend).

This is the only email you will receive about this Zoom Gathering, so please register now by clicking on the gold tab below. It will go to Mark Brandt (pngmark@gmail.com). Once registered, you will receive a verification email from Mark. Instructions and the Zoom link will come to you a week before the event.
