Dear brothers and sisters of the PNG-KLS-SPLC Reunion group.

What a joy it was to hear from your treasurer, Gary Schoonover, of your recent donations to support the work of the church in PNG! It is clear that God has touched your hearts through your connection with PNG and with each other, and inspired you to provide tangible support for the saints in PNG.

On behalf of LCA International Mission I would like to thank you for your donations itemised below. Through the generosity of supporters such as yourself, we are able to respond to our partner churches who are eager to be strengthened in a proper understanding of God's word, and equipped for mission that proclaims the unadulterated gospel of forgiveness, life and salvation as a free and unmerited gift through faith in our Lord Jesus Christ. In addition, your contribution to supporting the birthing kits program provides a practical connection and expression of our Christian love to women of PNG and their babies and has a remarkable impact on the lives of thousands of women.

We are incredibly grateful for your support and invite you to visit our website for up to date stories on the mission you are a part of.

Thank you for the following donations:
